

Pastor David Fontanez

Welcome to the Harrington Charge

Pastor David Fontanez was raised in Dover, Delaware. At the age of nine, he accepted Jesus Christ as his Lord and Savior during a Christian Youth Conference. From that moment on, he committed not only to believing in the One who saved him, but to representing Christ through the way he lives each day.

Around the age of 16, Pastor David sensed God's call into pastoral ministry. Over the years, that calling was confirmed on multiple occasions through the encouragement and affirmation of different ministers whom God used to speak into his life. Those experiences strengthened his confidence that God had set him apart for ministry.

Pastor David's ministry began in youth and young adult leadership. He had the privilege of serving and leading youth ministries across approximately 28 churches while also serving in youth leadership at his home church alongside his father. Although his heart continues to have a special burden for the next generation, his passion extends to people of every age.

Today, Pastor David has fully embraced God's call to pastoral ministry. His greatest desire is to see others experience the same life-changing love and transforming grace that he encountered when he said "yes" to Jesus. He believes that every person deserves to know that God loves them deeply and demonstrated that love by sending His one and only Son, Jesus Christ, to give His life so that all who believe in Him may have eternal life.

His excitement is greater than ever to continue to reach more souls for Christ with the help of those he is blessed to lead and pastor!
